Holstein Calf Club Meeting.

A meeting of the stockholders of Hondo Holstein Calf Club conducted by Mr. H. A. Clapp, assisted by Mr. J. C. Merritt, was held at the court house Wednesday, June 9, 1920. Mr. Clapp gave an interesting and instructive talk on raising calves.

Prize of \$25.00 will be given to boy or girl who raises the finest calf, \$15.00 for the second, and \$10.00 for the third. Mr. Clapp will give a prize of \$5.00 for the best theme paper on "How to Raise a Calf."

The following officers were elected: Milton Schweers, president; J. C. Merritt, vice-president; Lorene Schuman, secretary-treasurer. Directors elected as follows: Alfred Schuman, Alice Muennink, Milton Schuman, J. C. Merritt and Lorene Schuman.

It was agreed that Milton Schweers be the male calf and that each member of the club assist in paying for up keep.

Attention.

To the Voters of Medina County: By virtue of authority vested in me as Chairman of the Republican Executive Committee of Medina County, I hereby request all Republican voters, and such others wishing to affiliate with our party, that they do not enter or participate in the Democratic primary. While it is not the intention of our Republican organization to put out a party ticket at this time, we believe that the Republican voters of Medina county would be willing to support county candidates on the Independent ticket irrespective of previous party affiliation.

M. SCHOROBIN, Chairman of Republican Executive Committee of Medina County.

Notice to Ice Consumers.

Ice will be advanced 10c per hundred, commencing Monday, June 14, owing to the 50 per cent advance in coal and fuel oil.

Shall Hondo Have A Day Current?

The Hondo Light, Power & Ice Co. has under advisement the installment of a day current in Hondo, and awaits only the encouragement of a promise of sufficient patronage to justify the expense. The need of a day current has long been felt by many of our people, especially during the summer months when fans would be such a comfort and convenience, but the limited patronage to be had in a town the size of Hondo has deterred the company from considering the matter. It is now up to the citizenship of the town as to whether it is installed. If the people see fit to extend sufficient patronage to cover the expense the service is theirs.

Not only would the installment of fans in many places contribute much to the comfort of our people, but there are many other uses of a more utilitarian character to which it can be applied. For instance, the ladies who are using electric irons can do their ironing any time instead of having, as at present, to conform to a regular schedule. With a small outlay for equipment, sewing machines, washing machines, wringers, etc., can be operated by electricity. Then, too, if gasoline continues to advance in price, many of the small industrial plants about town that now use gasoline motive power may find it profitable to change to electricity.

This is not an advertisement, nor is it written by any one financially interested in the Light Plant. Had it been it would have probably been better done. But if we have awakened a sufficient interest in the matter to cause you to talk the matter over with Mr. A. G. Walker we will have achieved our purpose and be pleased at having given a useful boost to an enterprise and an undertaking that means much to our town.

If interested obey the impulse to get busy now.

I have one of the best small farms in the county for sale, at a reasonable price. See me at once if interested.

Gaines-Allen.

A pretty wedding was solemnized Sunday evening at six o'clock at the home of Mrs. W. Rylander, 2018 North Nueces Street, celebrating the marriage of her sister, Miss J. Allen, to Roland Gaines of Hondo. Rev. Hugh McClellan, pastor of the Central Christian Church, performed the ceremony.

The living room was beautifully decorated in Shasta daisies and ferns, the colors yellow and gold being carried out in the entire decorations.

As Harry Allen, brother of the bride, played softly on the piano the bridal chorus from "Lohengrin" the bridal party entered, preceded by little Miss Maurine Rylander, acting as ring bearer. She was followed by the bride and maid of honor, Miss Gladys Hubbard. They were met at the altar of daisies and ferns by the groom and his best man, Clinton Taylor. The bride wore a travelling suit of blue tricotine and carried an arm bouquet of Shasta daisies and ferns. The maid of honor wore white georgette, her bouquet was Shasta daisies and ferns. After a wedding dinner at the Menger Hotel the bride and groom left immediately for Galveston. They will be at home in Hondo after June 20. Out-of-town guests were: Mr. and Mrs. C. R. Gaines and family of Hondo, Mr. and Mrs. Arthur Wiede of Lockhart, Miss Gladys Hubbard of

Sabinal, Clinton Taylor of Hondo, James Power of Edna and C. S. Allen of Sanderson.—San Antonio Express.

The groom has lived at Hondo all of his life and has a host of friends here and the Anvil Herald joins them in wishing the young couple a long, prosperous and happy life.

After they return from a wedding trip they will make their home in the south part of town.

Notice.

To the advanced age people of Medina County, Texas:

In soliciting members for the HOME RELIEF ASSOCIATION, I find a great number of people who want to join, that are over the age limit, some have said they would pay a \$2.00 death rate if they could join, but we can't accept them in the HOME RELIEF ASSOCIATION if they are over the age limit. I therefore have decided to try to organize another organization for the advanced age people of Medina County, Texas.

The plan would be similar to the HOME RELIEF ASSOCIATION. The age limit would be from 45 to 65 inclusive, and be in good health; also a resident of Medina County, the membership fee would be \$4.50 and a \$2.00 assessment upon the death of a member, this would entitle the beneficiary of a deceased member to \$2.00 from each member of the organization, instead of \$1.00 as paid by the HOME

THE INCREASING BUSINESS of this BANK is an indication that the service it renders is satisfactory. If not already a patron, may we not have your account? We give our customers as liberal accommodations as is consistent with sound banking.

RELIEF ASSOCIATION and the MEDINA COUNTY AID.

This plan of insurance has been tried out in Medina County, for about twenty years and has proven to be one of the cheapest and safest plans. In order to find out whether or not it would justify me to organize this organization I am asking those that would like to join, to notify me by mail or in person, giving their age. Those interested will please notify their friends and get their names in soon as convenient so that the organization can begin work.

Trusting that I may soon hear from many of you,

I am yours to serve,
H. H. CROW,
P. O. Box 64, Hondo, Texas.

Card of Thanks.

By this means we wish to acknowledge our great debt of gratitude to our kind friends and neighbors for assistance rendered and sympathy manifested for us in our recent terrible bereavement in the death of our dearly beloved husband and father, Charles J. Stiegler; also we wish to express our thanks for the beautiful floral offerings, to those who attended the funeral, and particularly to Rev. A. C. Koeppe for the consoling words spoken at the grave. We assure one and all that their kindness will ever be held in grateful remembrance by

Sincerely yours,
MRS. CHARLES J. STIEGLER AND CHILDREN.

LUMBER PRICES REDUCED.

Since we can buy Lumber more cheaply we in turn are passing the benefit of this reduction along to you who are our customers. There will be cases where we are going to sell you at retail at prices which will be lower than we ourselves paid wholesale six weeks ago, but of course this is our loss and you are entitled to buy your Lumber today on the present cost of replacement.

This mill reduction in prices is the result largely of the stringent freight embargo on all shipments East and also the tightening up of bank credits. While we cannot guarantee that prices will not go lower it is our firm belief that these causes are but temporary, and with the certainty of advancing freight rates effective this fall, and the actual shortage of homes and other housing facilities facing the entire country, we do not see how Lumber prices can be held at the present low level for long.

Whenever you are in need we trust you will call on us and get our latest prices.

The Other Fellow's Rights.

Austin, Texas, May. "Let us try and remember the other fellow has some rights, which we as good citizens, should respect. And though we ourselves may not be afraid to have measles, small-pox or any of the communicable diseases, it does not necessarily imply that our neighbors hold the same views, therefore we have no moral or legal right to expose him to such dangers without his knowledge and consent," says Dr. C. W. Goddard, State Health Officer.

Continuing Dr. Goddard declares: "Suffer little children to come 'unto me' does not mean that they shall be ushered prematurely into the Kingdom of Heaven through ignorance and neglect, but that is exactly what is being done and has been done in so many thousands of cases, and is it not time that we face about on this question and give every man, woman and child every possible chance to live out their allotted time and enjoy life as was intended. While fate has decreed that some shall die young, it is not necessary that so many do so. Saving babies is no child's play. It is real work in which real men and women must take a hand and in which they should be ready and willing, proud and glad to engage. Certainly these little people can not and will not call you in either loud or soft tones, nor will they send out embossed invitations asking you to come to their rescue, but it is none the less your duty, which duty is not lessened by these facts and it is indeed a poor citizen, in our estimation, who fails to do his bit in behalf of the baby population.

"If you are sick better find out what the trouble is before taking too many chances of spreading a disease, or if your neighbor is sick, better find out what he has to give away before you go over and get it, especially if the sick person is a child. Don't take your child over and expose it until you find out whether it is something you want it to have or not."

Itching diseases can be controlled and cause removed by applying Ballard's Snow Liniment. The relief is prompt and permanent. Three sizes, 30c, 60c and \$1.20 per bottle. Sold by W. H. Windrow.

WHAT DID HE DO?

To be a Freshman in a college of 2,000 students and the champion tennis player of that institution, is a rare occurrence, but John Wilson, an Hon Hi "grad", has the honor of that distinction at A. & M. A large silver loving-cup is now in his possession as a result of that feat. At the Southwest Conference Meet, which includes every large college in Texas, he entered in both singles and doubles; running up to the semi-finals in doubles, and to the finals in singles—being defeated by a T. U. opponent, 6-3, 2-6, 9-7. This is very remarkable and distinguishable for the ex-State High School Champion, and next year will see him a p-dinkus with the racket. — Juajilla Leaf.

U. S. NAVY

The men's quarters on our new battleships are more luxurious than the Admiral's quarters of fifty years ago. This is a corner in the reading room of the U. S. S. New Mexico. A big library and complete file of current magazines, as well as newspapers from all the large cities, help to take care of any stormy hours when Jack may not prefer to be on deck.

A good title for this picture would be, "Why boys leave home," and the best part of it is that they come back real men.

THE STATE OF TEXAS

To the Sheriff or any Constable of Medina County, Greeting:

You are Hereby Commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Medina County, a copy of the following notice:

THE STATE OF TEXAS.

To all persons interested in the Estate of Andrew P. Allen, Deceased, Adams Company, has filed in the County Court of Medina County, an application for Letters of Administration upon the Estate of said Andrew P. Allen, Deceased, which will be heard at the next term of said Court, commencing on the first Monday in July, A. D. 1920, the same being the 5th day of July, A. D. 1920, at the Court House thereof, in Hondo, Texas, at which time all persons interested in said Estate may appear and contest said application, should they desire to do so.

Herein Fail Not, but have you before said Court on the said first day of the next term thereof this Writ, with your return thereon, showing how you have executed the same.

Given under my hand and the seal

of said Court at office in Hondo, Texas, this the 21st day of May, A. D. 1920.

CORNER BRYAN AND MASTEN STREET

DALLAS, TEX.

"Remember the Horse-Shoe Tread" — Why?

Look at the tread of a Horse-Shoe Cord Tire and you will see why the Horse-Shoe Tread is as durable and efficient as it is distinctive.

First, the tread of a 5-inch Horse-Shoe Cord Tire is 4 inches wide, giving this tire a wearing surface considerably larger than that of ordinary tires.

Second, over half of this 4-inch width is almost solid rubber. This extra-wide, compactly-solid, non-skid tread "grabs the road like a giant horse-shoe" and wears down slowly and evenly under all conditions.

Once you try a Horse-Shoe Cord Tire you will understand why a million motorists prefer Horse-Shoe Tires to any other brand. No other, you'll agree, gives so much for your money.

Booze Is Not a Good Cure.

(From the Ames Iowa Intelligencer.) When a man comes to you all doubled up with pain and declares he will die in your presence unless you procure him a drink of whiskey, send him to a doctor or else give him a dose of Chamberlain's Colic and Diarrhoea Remedy. There is a mistaken notion among a whole lot of people that booze is the best remedy for colic and stomach ache.

Doctor Cupid

That love sometimes cures disease is a fact that has been called to the attention of the public by a prominent physician. Love is not, however, the cure for all women. Many a woman is nervous and irritable, feels dragged down and worn out for no reason that she can think of.

Doctor Pierce's Favorite Prescription gives new life and new strength to weak, worn-out, run-down women. "Favorite Prescription" makes weak women strong and sick women well. It is now sold by all druggists in the United States in tablets as well as liquid form.

EVANT, TEXAS.—"I have used Doctor Pierce's Favorite Prescription. I was run-down and suffered from functional disturbances but 'Favorite Prescription' regulated me. I was so nervous I was miserable and could not sleep at night when I began to use the 'Prescription.' I had not taken a whole bottle until I could sleep well and got as stout as I ever was. I keep a bottle of 'Prescription' on hand and when I work and get tired I take a dose and it strengthens my nerves."—MRS. GEORGIA DEMERIS BERRY

Republicans Meet in Chicago.

Senator Lodge, temporary chairman of the Republican national convention at Chicago said in his keynote address Tuesday:

"The country must drive President Wilson and his 'dynasty' from power and defeat the League of Nations as he desires it." — "Mexico lies at our doors, it is a primary duty for us to deal with it under the Monroe doctrine, but nothing has been done—and yet we are asked to take a mandate for Armenia."

The delegates elected Will Hays as chairman of the National Republican Committee.

To adopt a platform and nominate a candidate for President is the business of the convention.

Stomach Troubles.

If you have trouble with your stomach you should try Chamberlain's Tablets. So many have been restored to health by the use of these tablets and their cost is so little, 25 cents, that it is worth while to give them a trial.

Lacoste Ledger Laconics.

Henry Haas shipped one car of cattle to market this week.

Dr. L. A. Koontz took Fritz Tschirhart of the Sauz to a San Antonio Hospital Wednesday.

Mrs. Ed. Rieber and son, John, of D'Hanis are visiting relatives here for several days.

Miss Madeline Droitcourt and brother, Jacob, from Hondo are visiting relatives here and at Castroville.

Mrs. Joe Droitcourt and daughter, Alice, from here and Mrs. Ed. Rieber and son, John, from D'Hanis visited relatives and friends at Castroville Thursday afternoon.

Willie Zinsmeyer, eleven year old son of Mr. and Mrs. Emil Zinsmeyer, fell off a horse while riding in the pasture Monday morning and broke his left arm. He was immediately brought to Lacoste where the injured member received surgical attention and it is hoped he will soon recover normal use of his arm.

Melton and Blatz Finish Onion Crop—76 Cars.

Melton and Blatz have finished shipping their big crop of onions, shipping in all 76 cars, averaging 500 crates each, or a total of 38,000 bushel crates of Bermuda onions. For the first 45 cars, or 22,500 bushels they got \$46,000, for the next 6 cars of 3,000 bushels, they got \$175,375; for the last 30 cars of 15,000 they got \$1,500, or \$22,500, making a total of 31,000 bushels, sold f. o. b. train Devine, before the season opened, bringing them a total of \$72,250, the biggest single crop of anything ever shipped from Devine. Mr. Melton says he will put quite a lot of his land here in strawberries; but will try a crop of onions in Sinaloa, Mex., which he figures he can get into the U. S. ahead of the Texas crop, pay 40 cts. duty and still come out ahead. He has lived in Mexico, has a brother-in-law in Sinaloa. Mr. Melton handled several of the Pearsall crops, making about 100 cars he has handled, or something like \$100,000. Mr. Melton presented this editor with a nice crate this week — Devine News.

Cut This Out and Take It With You.

A man often forgets the exact name of the article he wishes to purchase, and as a last resort takes something else instead. That is always disappointing and unsatisfactory. The safe way is to cut this out and take it with you so as to make sure of getting Chamberlain's Tablets. You will find nothing quite so satisfactory for constipation and indigestion.

Sabinal Sentinel Siftings.

Mrs. Arthur Rothe, Laurinda, and Mrs. Alice Reinhardt were over from Seco a few hours Tuesday afternoon visiting home folks and shopping.

Mr. C. P. Wood returned Monday from a trip to Hondo.

Miss Gertrude Albrecht, who visited Mr. and Mrs. R. Albrecht last week, returned to her home in D'Hanis Saturday evening.

Best Remedy for Stomach Trouble.

I am pleased to have the opportunity to say a good word for Chamberlain's Tablets," writes Mrs. Mamie Bertel of Moberly, Mo. "I think they are the best remedy for stomach troubles, biliousness and constipation I have ever used. I have taken them off and on for two or three years and they always relieve indigestion, tone up the liver and make me feel fine.

Are we ever to have any relief from that corner of Medina County piece of bad road? If there is not a law there ought to be, to force Medina county to work that piece of our San Antonio road, a thing which we are told has not been done for many years. Let us ask our legislature to give us relief in this matter if we haven't already such law. — Bandera New Era.

For the Relief of Rheumatic Pains.

When you have stiffness and soreness of the muscles, aching joints and find it difficult to move without pain, try massaging the effected parts with Chamberlain's Liniment. It will relieve the pain and make rest and sleep possible.

Mr. Briscoe Appointed Presidential Elector.

Hon. Jno. T. Briscoe of Devine attended the State Democratic Convention at Dallas, representing Medina County, and brought back honors for himself, his town and Medina County, in being appointed an elector for this congressional district. His name will be upon every ballot in Texas in the November election. Mr. Briscoe was an elector eight years ago, when Woodrow Wilson was Nominated. — Devine News.

Price \$2.50 to any address in Texas. 31tf

Sore Nipples.

Any mother who has had experience with this distressing ailment will be pleased to know that they may be relieved by applying Chamberlain's Salve as soon as the child is done nursing. Wipe it off with a soft cloth before allowing the babe to nurse. Many trained nurses use this salve with best results.

It looks like some farmers this year are trying to raise only enough stuff for themselves.

Success With Hens.

BY ROBERT JOOS.

This is a reliable guide to poultry-raising that thoroughly covers the subject by an expert. It is clear, practical and up-to-date. The fifty-five chapters give full directions for the hatching and brooding of chickens, incubation, feeding and housing, increasing the egg supply, cure of diseases, the marketing of eggs and fowls and everything pertaining to the care of hens.

Nothing is given but the best methods and only those which have been proved by the experience of successful poultry keepers. The small and large poultryman, the beginner and the experienced, will find this book indispensable. It will reduce losses and increase profits.

"Complete, clear and up-to-date." — Farm and Ranch, Dallas.

"A book of unusual value and indispensable." — Rochester Herald.

"This book is thorough and written with skill." — Los Angeles Times.

"If you are interested in hens get this book,—it is a good one." — Detroit Saturday Night.

"It is inspiring and practical; and the price is exceedingly liberal." — Horticulture, Boston.

"Get this book. It has a pleasing and convincing style rarely found in books on poultry." — Camera Craft, San Francisco.

"Whatever your purpose in raising chickens, this book will prove of practical assistance to you. It furnishes the knowledge that spells success, and gives warning against the ignorance that leads to failure." — New York Tribune.

"The best reading matter for the poultryman we have ever read. It reads like a story and is full of good, sensible truths. One chapter is worth more than the price of the book. We unhesitatingly recommend it to the amateur or experienced poultry raiser as it covers the poultry business from start to finish." — Pacific Poultrycraft, Los Angeles.

INDIGESTION.

If you are ever troubled with indigestion, Chamberlain's Tablets will do you good. They strengthen the stomach and enable it to perform its functions naturally. There are hundreds of people who have been restored to health and happiness by the use of Chamberlain's Tablets. When you feel dull and languid after eating you may know that your digestion is faulty, unless you have eaten more than you should. Belching, sour stomach and bloating are symptoms of indigestion and are relieved by taking Chamberlain's Tablets as directed. Indigestion is usually accompanied by constipation and is aggravated by it. Chamberlain's Tablets cause a gentle movement of the bowels, relieving the constipated condition. Chamberlain's Tablets are also most excellent for biliousness. Sold everywhere at 25c.

Health About Gone

Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive, similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. — had us get Cardui. . . I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."

TAKE

CARDUI

The Woman's Tonic

She writes further: "I am in splendid health . . . can do my work. I feel I owe it to Cardui, for I was in dreadful condition." If you are nervous, run-down and weak, or suffer from headache, backache, etc., every month, try Cardui. Thousands of women praise this medicine for the good it has done them, and many physicians who have used Cardui successfully with their women patients, for years, endorse this medicine. Think what it means to be in splendid health, like Mrs. Spell. Give Cardui a trial.

You can't afford to be without Insurance. Life and Accident. O. H. MILLER writes a good policy. He wrote over \$25,000 in past twenty days.

Mrs. Ed. de Montel and daughter, Miss Evelyn, left Monday for San Antonio where they completed preparations for Miss Evelyn's summer trip. She will join a party of friends in San Antonio the first of the week for quite an extensive tour of the west, California, Oregon and Colorado being included in the itinerary. Miss Evelyn anticipated great pleasure from a visit to Yellowstone Park, one of the great attractions of the west visited by thousands of sight-seers from all parts of the world annually.

In response to information that her brother, Montell Hopp, was critically ill at Kelvin, Arizona, Mrs. Fletcher Davis, accompanied by her brother-in-law, Louis Scherrer of Castroville, left on last Sunday's afternoon train for Arizona to be at his bedside. Arriving at Kelvin they found Mr. Hopp somewhat improved they determined to bring him home, a determination they immediately acted upon, and reached Hondo on Friday morning's train. The patient stood the trip admirably and seemed to be improved by the journey. He was taken on to Castroville and under the treatment of the old family physician, Dr. FitzSimon, hopes to ultimately regain his normal health. Mrs. Davis is not much enamored with some of the country passed over and cannot understand the Lord's purpose in creating it unless it was to bind the eastern and western parts of Uncle Sam's homestead together as she thinks that is about the only possible service it could be put to.

J. Frank Jungman is another of Hondo's ambitious young men who has made good in his college work and as a result has been presented with his B. A. degree by Rice Institute, Houston, and now is prepared to render efficient service in life's battles. The young generation of Hondo are striving to equip themselves by educational attainments for lives of usefulness and their county, state and nation will be the gainers by their efforts.

Caughy Horger is now an alumni of the A. & M., he having finished his course in electrical engineering at the recent session. It is his purpose to leave the first of the week for Camp Vaile, New Jersey, where he will attend a R. O. T. C. camp. Caughy is very much interested in the signal service and will probably attach himself to that branch of Uncle Sam's reserve force.

Mrs. J. M. Finger was hostess to the card club Thursday afternoon. The tables were arranged on the porch which was tastefully decorated with daisies and ferns and looked very nice. A number of interesting games of high five and auction were played. A delicious lunch consisting of pine apple ice and cake was served. The guests were: Mesdames Chas. Finger, J. G. Heyen, W. H. Smith, Horace Bradley, F. Batot, H. J. Meyer, Henry Merriman, L. E. Heath, R. J. Noonan, Robt. Decker, Drotcourt, Miss Rothe of D'Hanis.

The Supporting Cast.

No stock types are the characters projected on the screen in "The Strange Boarder." Unique, distinctive types, types of the big city with a real human-interest appeal have been transferred to the screen by the artists who support Will Rogers in this drama of human faith and trust. Among those who will stand out vividly in the minds of your audience for charm and magnetism is none other than Will Rogers' own little boy, Jimmie Rogers. If it be true that talent is hereditary, then Jimmie is destined for a great histrionic career. His cute pranks and delightful little bits of business, the ease with which he appears to have taken directions and his utterly boyish charm will endear him to the audience. Irene Rich, who portrays the role of Jane, is beautiful and sympathetic. She will be remembered for her fine work opposite Will Rogers in his previous production, "Water, Water, Everywhere." As "Kittie" Hinch James Mason gives a powerful interpretation of a cold, crafty gambler who betrays flashes of humanness at moments. Doris Pawn, well-known for her work in the Goldwyn picture starring Tom Moore, "Toby's Bow," plays the frivolous "Florrie," "Kittie's" wife. Others in the cast are Jack Richardson, who has been seen in many important pictures as a heavy, Lionel Belmore, Sydney Deane and Louis S. Durham.

Anent Charles J. Stiegler.

Charles J. Stiegler dies 25 minutes after he swallows a glass of medicine. Story told by his wife who was with him at the hospital.—Charles J. Stiegler dies at the Santa Rosa Infirmary, at 7 a. m., May 29, 1920, where he had been taken to have a serious operation performed on his left eye, by which the eye ball was removed.

An unfortunate accident happened to Mr. Stiegler on May 26th at the Bohlen & Mack Blacksmith Shop while he was waiting on his work. The smiths were busy cutting off pieces of iron, when a piece of iron about 12 inches long flew into Mr. Stiegler's eye and punctured the eye ball. The eyeball was removed Thursday morning by an operation performed by Dr. J. H. Burleson. He was doing as well as could be expected and hoped to be well again soon.

On Saturday morning he woke up as bright as ever and told me he slept fine, and was surprised that his eye did not pain any, and thought if it would heal that way he would be home again soon. Just then a nurse from the hospital came in and handed me a glass of medicine and said it was Pluto water and said I should give it to Mr. Stiegler, which I did. He drank the medicine, and right away complained about the bad taste it had, even said the orange tasted bad which the nurse had given him to eat after drinking the medicine. Then after a little he began to vomit, and exclaimed to me: "call a nurse," "I've been poisoned!" Nurses and doctors were called and came within a short time. After vomiting his body cramped, he threw back his head, his eye stared and shortly after that he began to foam from the mouth, and died within 25 minutes.

When I questioned the nurses and doctors that were at the bedside before his end came, the nurses did not have anything to say, and Dr. Steinwinder answered me, "Be still," Dr. Walhall did not give an answer, and Dr. J. H. Burleson, who reached the hospital after Mr. Stiegler had died, said it was an accident, and that an accident always can happen, that it may have been a blood clot. No one gave me true information about the cause of the sudden death.

The nurses rushed the body off to the Zizik Undertaking Company, and before the undertakers came his face had changed to a bluish black color.

The body was sent out on the afternoon train to Hondo, where he was buried at 3 o'clock Sunday afternoon in the Oakwood Cemetery. Rev. A. C. Koeppe, pastor of the Quilhi Lutheran Church, of which church the deceased had been a life long member, conducted the services.

Deceased was a son of Mr. and Mrs. Hy. Stiegler, born near Hondo, Texas, May 21, 1887, and was 33 years and 8 days of age.

On June 13, 1909, he was married to Miss Annie Marie Breiten, daughter of Mr. and Mrs. Jac Breiten of Dunlay. The union was blessed with three children, two sons and one daughter; one son had been killed from this earth to another shore some six years ago. Those here to mourn his untimely demise, are a heart-broken widow, two orphan children, L. mother, Mrs. Hy. Stiegler, one brother, August Stiegler, two sisters, Mrs. Amanda Muenink, and Mrs. Charles Balzen. His father, one sister and two brothers have departed from life some years ago.

A large number of near and dear relatives are overwhelmed with grief over the sudden and terrible death of a loved one.

Every Drop an Asset

As a dairy farmer you can figure out to the penny what your cream is worth. You know that every particle of butter fat has a distinct value to you. You cannot afford to use a separator that misses any cream.

The Primrose Cream Separator gets every drop of cream. The principle on which it operates is as simple as the mechanism. The frame is open and sanitary—the supply can large and low. Every bearing and quiet gear is well oiled by a splash system.

In Primrose separators, good workmanship and materials, close skimming and durable qualities, are the distinguishing points. These are points that vitally concern your profit.

No matter what the size of your herd, the Primrose is a money-maker. Two or three-cow farmers use them with profit.

The Primrose is the only cream separator that automatically drains out the used oil from the gear case when new oil is added.

Let us demonstrate this and other points. If it is not convenient for you to call, phone us and we will bring a machine out and show you how it operates and what its financial advantages are to you.

You Do More Work.

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

John Wilson A. & M Tennis Champion.

The latest distinction that has been won by a Hondo Collegian, was due to John Wilson in his defeating every contestant at A. & M. College for the individual tennis honors. A large silver loving cup was enviously yearned by about fifty A. & M. tennis players, but the fact that John easily defeated all of his opponents in every match—winning in the finals 6-1, 6-0, 2-6, 6-1—shows that the cup he now possesses is well-deserved.

On May 14 and 15, the tennis teams of all the colleges in Texas met in Houston to decide the Southwestern Conference Championship. John entered in the doubles and singles for A. & M., but was finally eliminated in the semi-finals in both. He was the only A. & M. player not eliminated in the first round of the tournament and was barely defeated by Gregory of Texas in a hot match, 2-6, 6-3, 9-7, who won the Southwestern tennis-singles championship.

Being just a Freshman, and becoming a star in tennis, is no small honor, and before John finishes college he will have won himself a title to be proud of—by himself, by his school, and by his home town.

No 1 us in a Healthy Child

All children troubled with worms have an unhealthy color which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

CONFIRMED TESTIMONY.

The Kind Hondo Readers Cannot Doubt.

Doan's Kidney Pills have stood the test.

The test of time—the hardest test of all.

Thousands gratefully testify. To quick relief—to lasting results.

Hondo readers can no longer doubt the evidence.

It's convincing testimony—twice-told and well confirmed.

Hondo readers should profit by these experiences.

Thos. McCall, carpenter, Hondo, says: "I came down with an attack of kidney trouble. I had such a severe pain that I could hardly stoop over or lift anything. My back pained all the time and made it difficult for me to do my work. I had heard Doan's Kidney Pills highly spoken of so I bought some at Windrow's Drug Store. Doan's helped me right away and two boxes removed the trouble."

Mr. McCall gave the above statement May 29, 1915, and on May 5, 1919, he added: "I have used Doan's Kidney Pills a few times for a slight backache since they cured me four years ago. I think just as much of Doan's as ever."

Price 60c, at all dealers. Don't simply ask for kidney remedy—get Doan's Kidney Pills—the same that Mr. McCall had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Commencement Exercises.

If asked, 25 years hence, what Wednesday night, May 26, 1920, meant, a graduate from H. H. S. of that year would reply that it was the greatest red-letter night of his existence. Now, with Commencement night fresh in our memories, it fills us with an unexplainable joy, an indescribable exaltation, to go over the program of that evening and think what it meant to us, and to attempt to analyze its importance, and to justify the fact that it was the proudest moment of our lives when we were hand-d and ribbon-lacked, but soul and heart desired, diplomas of graduation.

A vast throng of local people greeted the graduates as they filed into their respective positions upon the stage of the Auditorium. It was a tense moment of excitement—ons which develops heart pulsations and quivering knees—but the program was formally opened by Principal Guy T. Newton, whose inspiring, sympathetic, and open-hearted invocation cast an impression of dignity and grandeur upon the occasion. So deep were his sincere supplications to the power of He who "notches even the fall of tiny sparrows, and numbers the hairs on every head," that a feeling of reverence, awe and submission spread over the audience.

The first number on the class program was the address of welcome, delivered by the Salutatorian of the class, Charles Wilson.

A beautiful solo, Neyin's "Nightingale Song" was then rendered by Mrs. Horace Bradley and was greatly appreciated by the immense audience.

Selma Stiegler, the Class Historian, eloquized upon the past of the graduating class. Its accomplishments, its doings, and its life through High School were minutely described and pictured to a perfection.

Probably the greatest hit in the student addresses, having some class-material interest as its subject, was made by Leah Flint when she represented the characteristics of every member of the class by means of poetry. Thus follows the budding young poet's artistic accomplishment:

I.
She's a dear—such eyes and tresses!
How the loving wind caresses
Those fair locks, my heart confesses,
Envyin' e'en the wind. Guess who?
Ruth Windrow.

II.
She's as stately as Diana,
Sings a wonderful soprano,
Plays upon the grand piano
Like an angel in the choir. Guess who?
Gladys Woolls.

III.
He is brawny and athletic,
Folks all love him—he's magnetic;
I could really grow poetic
Over him. Guess who?
Charles Wilson.

IV.
In the class-room she's a hummer—
Makes the teacher stare and murmur
Praises, while we're looking bummer
Than a student ever could. Guess who?
Edna Graff.

V.
She's a stunning, swell young maiden,
She's a vision when arrayed in
Her glad rags. She needs no aid in
Winning hearts. Guess who?
Selma Stiegler.

VI.
He is tall and broad, and handsome,
Thinks he's worth a Kaiser's ransom.
Often haughty, cold and bland. Some
Think him wise. Guess who?
Wallace Heath.

VII.
She is cute, petite and dainty.
Sweet sixteen? No, she's twenty
Minus four. Ah, well, now, ain't he
Lucky just to love her? Guess who?
Irene Roberts.

VIII.
She's the one to strike your fancy,
Not a sport, yet no Miss Nancy.
A true woman, now by chance we
All know her. Guess who?
Helen Lacy.

IX.
He's forever blowing bubbles,
Chasing rainbows are his troubles,
His heart is true—he never doubles
Any fair, young maiden. Guess who?
Sidney Fly.

X.
She's sincere, no one could doubt her,
All of us are wild about her,
Hondo High would have died without
her—
Now she is here. Guess who?
Caro Fussellmann.

XI.
Now I'll sit back down on my stool,
Tho' these lines were written by a fool,
There's a graduate in your school
Who's a poet. Guess who?
Not me.

Miss Irene Saathoff, a '17-er, played a wonderful violin solo at this point and the shrill, but soft and poetic, tone of her instrument brought her many compliments.

President Heath of the class—our medicine man or prophet—gave us our future career humorously, but critically, nobly, but simply, fervently, yet violently, and truthfully, yet "maybe-ly".

An oration which included the Seniors' last will and testament was ably bespoken by Sidney Fly whose clever ideas, brought out in his theme, added much mirth to the evening's enjoyment.

At this juncture Miss Nell Wilson, our piano teacher, with grace delightful, and tone serene, illustrated her remarkable talent in chopping out "Chopin's Nocturne".

Next came the climax to the class program—for Edna Graff delivered an eloquent, pathetic, illustrious, but wonderfully organized, perfectly planned, and individually designed Valedictory. This girl has been a source of inspiration to all her classmates, for her hard and faithful work, kept the standards of the Class at par, and made her a name engraved in the class memory forever.

Superintendent Howell now presented Mr. T. R. Garph, Ph. D., of the faculty of the University of Texas, whose address was directed especially to the members of the graduating class. His subject was: "Youth, Maturity, and Old Age." His theme was in connection with life: the relation between the young and the old. His climax and main point was that the reason why people are allowed to live, after they are grown, is to teach, to broaden out, and to mature the younger people. His speech was an optimistic view of the possibilities lying outstretched within easy reach of the graduates. His democratic, humorous and pronounced method of holding the attention of the audience was very prominent and plainly discernible. Mr. Howell and the Senior class can be proud and heartily grateful of the fact that such a man as a Professor of Philosophy delivered their annual address.

"Supe" Howell here presented diplomas to the members of the Class. Miss Edna Graff and Mr. Chas. Wilson were awarded scholarships to various colleges, because of their receiving the class honors. In a brief talk, Mr. Howell reviewed the achievements of the Senior Class, confronted the people with facts they have to face during the coming school year, and bade everybody farewell.

The Class Song, a parody on "Perfect Day", composed by Charles Wilson, was the last number on the program.

We have come to the end of a perfect year
With our school work over at last
We are glad that this day has dawned
on us
Until we think of our class.
Can you see what the end of a perfect year

Can mean to a tired heart
When the school doors close with a
mem'ry sweet
And we class mates have to part.
Well, we've come to the end of our
High School Days
And our High School joys are o'er.
We must part from each dear old
child sweet-heart,
All the joys, and the bliss of yore.
But thru life and the strife of the
worldly rife
We will never say good-bye,
To this dear and fond farewell we give:
We love thee, Hondo High.

Well, we've come to the end of our
High School Days
And our High School joys are o'er.
We must part from each dear old
child sweet-heart,
All the joys, and the bliss of yore.
But thru life and the strife of the
worldly rife
We will never say good-bye,
To this dear and fond farewell we give:
We love thee, Hondo High.

Honoring Miss Flint.

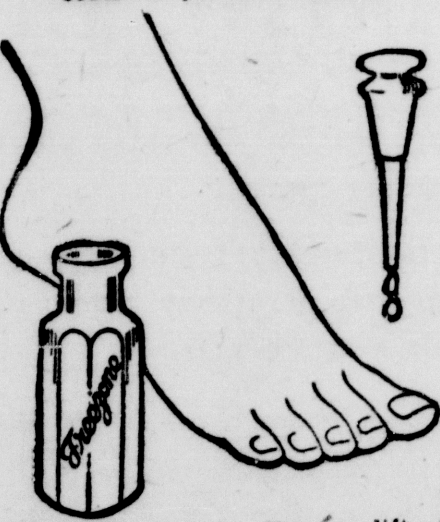

The home of Mr. and Mrs. Newell Woolls was the occasion of a very delightful party, given Saturday night by Miss Caro Fussellmann, in honor of Miss Leah Flint. Much enthusiasm was aroused over the games of Forty Two, Rook and Pig, and a delicious course, consisting of sandwiches, fruit salad and ice tea was served.

Those present were: Misses Leah Flint, Irene Roberts, Gladys Woolls, Ruth Windrow, Nettie Woolls, Helen Lacy, Lucille Woolls, Gladys Newton, Mrs. M. Beal, Mrs. Newell Woolls, Miss Caro Fussellmann, Edwin Flint, Selby Woolls, J. D. Howell, G. T. Newton, Sidney Fly, Wallace Heath, Charles Wilson, Marvin Beal, Newell Woolls.

Lift off Corns!

Doesn't hurt a bit and Freezone costs only a few cents.

With your fingers! You can lift off any hard corn, soft corn, or corn between the toes, and the hard skin calluses from bottom of feet.

A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or callus. Instantly it stops hurting, then shortly you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No humbug!

MONEY OF WORLD COULDN'T BUY IT.

This Is What Allen Says Of Good Tanlac Did Him—Is Picture Of Health Now.

"I wouldn't take all the money in the world for the good Tanlac has done me," said J. B. Allen, a well-known employee of the C. B. & Q. Railroad, residing at 567 East Fourth St., Galesburg, Ill.

"I had suffered for six years," he continued, "and had gotten so weak I couldn't do my work regularly and was ready to give up when I began taking Tanlac. Nearly everything I ate disagreed with me and felt like a coal of fire in my stomach and gave me such terrible cramping pains that I could hardly stand them. I was so badly constipated I had to take a laxative nearly every night and awful feverish headaches would come on that would lay me up in bed for a day or more at a time. I lost so much weight and got so weak that I could hardly walk, and really I looked so bad that one day at the roundhouse I overheard one of the boys say: 'He's not long for this world.' Right then I decided to give up my work and try to find something that would help me."

"I read in the papers about Tanlac and decided to try it and now I don't see how in the world a medicine can do what it has done for me. I can eat three big meals every day without any trouble afterwards, the constipation and headaches are gone and my lost weight and strength have all come back. To be exact I now weigh forty-three pounds more than before I began taking Tanlac and never felt stronger in my life. I am the picture of health and the boys all say they never saw anything as wonderful as the way Tanlac has brought back my health."

Tanlac is sold in Hondo by W. H. Windrow; in Castroville by Joseph Courand and Co.; and in Dunlay by Louis A. Baby.

Juajilla Leaf Notes GOOD-BYE, LEAH.

But a week ago the graduating class was a unit—now the atoms are separating. Leah has been the first to depart from our midst, moving to San Antonio where her father is interested in business.

Leah, we have all told you good-bye, but we have not given you our true feelings—in fact, we never can. You have been a wonderful class-mate to us, you have shown time and again your true qualities, you have been a live wire, a sincere worker, a good-hearted, optimistic friend during all our years in High School. Yours are the best luck, the truest wishes, and the greatest success that your former class-mates can offer.

The highest compliment we can pay is that "Leah was a true, genuine sport, through and through."

6 O'CLOCK CHOW.

The Senior Class was royally entertained by Misses Gladys and Lucille Newton last Monday evening. A most delicious dinner was served and the guests were shown a time exquisite throughout the evening. With inexpressible appreciation, the class adjourned—the pleasure of the occasion bound to live in their memories as the most enjoyable that they have ever experienced.

To Keep American Ships on the Seas

For the first time since the Civil War we have a real merchant marine. It cost us \$3,000,000,000 to get it.

The farmer, manufacturer, laborer—every American is interested in holding our position on the seas.

As a first step in this direction it is necessary to modify those articles of existing commercial treaties which have operated to thwart the upbuilding of our merchant marine—

By giving the notice of termination for which the several treaties provide.

This action is directed in the constructive Shipping Bill now before Congress;

Which declares it to be the policy of the United States "to do whatever may be necessary to develop and encourage" a merchant marine.

This policy deserves the support of every American.

Lacking this support the present effort to maintain our merchant marine may suffer the fate of many ineffective attempts of the past.

Get Goodyear Tire Economy for That Smaller Car

Just as owners of the highest-priced automobiles get greater mileage and economy out of Goodyear Tires, so can the owners of smaller cars similarly enjoy Goodyear advantages.

The 30x3-, 30x3½-, and 31x4-inch sizes of Goodyear Tires are built to afford a money's worth in performance and satisfaction which only the utmost in experience, resources and care can produce.

This extraordinary money's worth begins not only with the merit of these tires, but also with the first cost, which in most cases is no greater, and sometimes actually is less, than that of other makes of the same types of tires.

Go to the nearest Goodyear Service Station Dealer for Goodyear Tires for your Ford, Chevrolet, Dort, Maxwell, or other cars taking these sizes. He is ready to supply you Goodyear Heavy Tourist Tubes at the same time.

30x3½ Goodyear Double-Cure Fabric, All-Weather Tread..... \$23.50

30x3½ Goodyear Single-Cure Fabric, Anti-Skid Tread..... \$21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in water—\$4.50 proof bag

Another Royal Suggestion

BISCUITS, BUNS and ROLLS

From the NEW ROYAL COOK BOOK

BISCUIT! What de-light this word suggests. So tender they fairly melt in the mouth, and of such glorious flavor that the appetite is never satisfied. These are the kind of biscuits anyone can make with Royal Baking Powder and these unusual recipes.

Biscuits

2 cups flour
4 teaspoons Royal Baking Powder
1/2 teaspoon salt
2 tablespoons shortening
1 cup milk or half milk and half water

Sift together flour, baking powder and salt; add liquid and rub in very lightly; add liquid slowly; roll or pat on floured board to about one inch in thickness (handle as little as possible); cut with biscuit cutter. Bake in hot oven 15 to 20 minutes.

Royal Cinnamon Buns

2 1/2 cups flour
1/2 teaspoon salt
4 teaspoons Royal Baking Powder
2 tablespoons shortening
1 egg
1/2 cup water
1/2 cup sugar
2 teaspoons cinnamon
4 tablespoons seeded raisins

Sift 2 tablespoons of measured sugar with flour, salt and baking powder; rub shortening in lightly; add beaten egg to water and add slowly. Roll out 1/2 inch

thick on floured board; brush with melted butter, sprinkle with sugar, cinnamon and raisins. Roll as for jelly roll; cut into 1 1/2 inch pieces; place with cut edges up on well-greased pan; sprinkle with a little sugar and cinnamon. Bake in moderate oven 30 to 35 minutes; remove from pan at once.

Parker House Rolls

4 cups flour
1 teaspoon salt
6 teaspoons Royal Baking Powder
2 tablespoons shortening
1 1/2 cups milk

Sift flour, salt and baking powder together. Add melted shortening to milk and add slowly to dry ingredients stirring until smooth. Knead lightly on floured board and roll out 1/2 inch thick. Cut with biscuit cutter. Crease each circle with back of knife one side of center. Butter the small section and fold larger part well over the small. Place one inch apart in greased pan. Allow to stand 15 minutes in warm place. Brush each with melted butter and bake in moderate oven 15 to 20 minutes.

ONE OF THE CROWD.

Thieves Take Sugar.

Sugar, the scarcest article of food on the market, was the chief prize for burglars who Sunday morning ransacked the Slater Bros. grocery store, 503 Indiana street. They carted away 300 pounds of fine granulated sugar, clearing the store's bins. Fifty pounds of lard, some tobacco and small lots of groceries were taken. Entrance was effected by jimmying the rear doors. Detectives are working on the case. — San Antonio Light.

SHERIFF'S SALE

THE STATE OF TEXAS
COUNTY OF MEDINA

Notice is Hereby Given That by virtue of a certain Execution and Order of Sale issued out of the Honorable District Court of the 73rd Judicial District of Bexar County, of the 14th day of May A. D. 1920, by the Clerk of said Court for the sum of Three Hundred Seventy six and 24/100 (376 24/100) Dollars and costs of suit, under a judgment and foreclosure of lien, in favor of The Medina Townsite Company in a certain cause in said Court, No. B-16, 727 and styled The Medina Townsite Company vs. W. C. Mathews, placed in my hands for service, I, J. F. Bader as Sheriff of Medina County, Texas, did on the 27th day of May A. D. 1920, levy on certain Real Estate, situated in Medina County, Texas, described as follows, to-wit: In the Town of Natalia, known as Lot No. Sixteen (16) in Block No. Twenty-seven (27) as shown on a plat and subdivision of Parts of Original Surveys No. 354, Jno. Hardin; No. 509, J. Varenne; No. 27, M. W. Dikes; No. 63, G. M. Crawford; No. 65, Wm. Crawford, said plat and subdivision being known as "Natalia," and duly recorded in the Deed Records of Medina County, Texas, in Vol. A. 48 pages 23, and levied upon as the property of W. C. Mathews and that on the first Tuesday in July A. D. 1920, the same being the 6th day of said month, at the Court House door, of Medina County, in the Town of Hondo, Texas, between the hours of 10 A. M. and 4 P. M., by virtue of said levy and said Execution and Order of Sale I will sell said above described Real Estate at public venue, for cash, to the highest bidder, as the property of said W. C. Mathews and as the lien existed on the 30th day of April 1913. And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Hondo Anvil Herald, a newspaper published in Medina County.

Witness my hand, this 7th day of June A. D. 1920.

Paint Has Saved It From Ruin

Without paint protection during its seventy years of service it would have gone to ruin long ago. The surface coating of paint has borne the wear of rain, storm, sun and wind—no chance for decay or rot. Every board and timber will be sound and strong, as long as it is kept well painted.

Lincoln House Paint

gives the best and most lasting protection. It will cover more surface per gallon and wear longer than ordinary paint.

Let us estimate the amount you will require and show you color combinations suitable for your house, whether you buy or not.
